

Sporting School Program Term 2 2021

Dear Parents / Caregivers

St Francis would like to offer your child the opportunity to be part of the Sporting School Program in Term 2.

We are seeking interest from Rec-Year 4 students in the school for our 4 Week Netball Program run by Netball SA. The sessions will be held on Wednesday afternoons, commencing this week. There is no FEE charged to be part of this program.

If your child does decide to join the program, we will expect him/her to make the most of their chance and attend every session where possible as we can only take the **FIRST 27 NOTES** returned for this sport.

Please return the below slip directly to Mr Daley by Wednesday 9th June. The first session will begin in week 7 (this week), on Wednesday 9th June and will conclude in Week 10 on June 23rd. All sessions run from 3:20pm-4:20pm on the school netball court.

Thank you

James Daley
