

9th November 2021

Dear Parents and Caregivers,

2022 INSTRUMENTAL LESSONS

At St Francis we offer a wide range of instrumental lessons from professionally qualified and experienced Instrumental teachers who teach in an age appropriate and encouraging manner. **Currently there are vacancies for the following instruments: drums, guitar, violin, voice, ukulele and trumpet.** The benefits of music education are immense and highly beneficial to students. Music positively impacts a child’s academic performance, assists in developing social skills, and provides an outlet for creativity that is crucial to a child’s development.

This is an invitation for new students to start instrumental lessons in 2022 and for current students to hold their current position. To assist in planning for next year and to allow us to determine any future vacancies, please complete the form below and return it to the office by Friday, 26th November, Week 7.

Please feel free to contact me with any questions that you may have.

Kind regards,

Olivia Bozzon
Performing Arts teacher
