### **FEE AGREEMENT FORMS**

**All families must complete** a school fee agreement on an annual basis. These forms must be completed and returned to the school office by **30 November 2020**.

School fees are billed annually at the beginning of the school year or pro rata when the child commences. Fee statement accounts will be forwarded to all families each term during week 2.

Please indicate in the payment section your preferred payment method. Families have the option of paying fees by term by due date or setting up a payment plan via direct debit or credit card to be withdrawn on dates indicated on agreement form.

*All finance forms and fee information are also available on the school website.*

A copy of the school fee fact sheet forwarded to parents in 2020 is included also for your reference; this details payment amounts by instalment.

### **ADDITIONAL CHARGES**

A Graduation fee is charged for students in year 6. The charge is \$130 and is invoiced at the beginning of the year.

Camps are conducted in Years 4 to 6 annually. Fees vary each year and families are invoiced separately in the term in which the camp is being held.

Other sporting activities are invoiced separately as they arise.

### **OVERDUE ACCOUNTS & LATE PAYMENT CHARGES**

St Francis School openly encourages regular communication between all parties. In the event that families are unable to pay regular school fees prior to the due date, families must make contact with the Business Manager, Monica Valente. Failure to do so may result in a \$35 late payment fee and could be applied to family accounts for each terms' outstanding arrears.

Overdue statements will be forwarded during the year with reminder notices.

### **STUDENT BOOK PACKS**

Stationery packs are purchased by families directly from Campion Education. These instructions will be forwarded separately to families and the form/link included on the school website. Stationery packs are delivered directly to your home address.
