TERM 1 2021

The 'Hot Shots' tennis program has been running at the school for several years now and many students have participated in the Monday after school lessons. Students in **Year 2 & 3** [aged 7-9] are invited to join the **UP-SHOTS** tennis program which aims to extend and take students to the next level of tennis play.

Students will also be introduced to the basic serve, backhand and volley strokes. Lessons will be held at the school courts on Monday after school at the same time as the Hot Shots lessons but will be run separately and in smaller groups on small courts with nets.

Lessons are from 3:30pm – 4:15pm each Monday on the school courts.

Fees for the seven week term are \$140-00.
